Presidential News

Hello Everyone,

I hope everyone is enjoying his or her summer! It is hard to believe it is almost August.

I want to thank Donella for the Great job she did at Riverfest! She put in well over 100 hours and was still in good spirits. Thank you to everyone who was able to make it there and help out. We had several guests again this year and some great help from Hooters & Coconut Joes. Kyle one of the owners of Coconut Joes had so much fun he is a new Jaycee member!! We all had fun again this year. Of course the real fun began of course after the beer tent was closed.

We also had a great time at the appreciation party at Snuffy's. (Except for Baggie burning himself)

We have some fun projects coming up this month and next month. There are several of us walking in the Relay for Life project during the first weekend of August.

We will then be working at the Franciscan Skemp Picnic on August 12th helping with the kid's games. Sara is still looking for some workers for that.

And the very next day we will be playing paintball in Ettrick where we will be taking on the Onalaska Jaycees. So come out and help us beat them!

On September 9th we will be helping at the 95.7 The Rock end of summer Bash. We will need several people to help at this. We will be selling food at the garage sale in the morning and then in the afternoon and evening we will be serving food and beer. This project earns us about \$2000.00 in one day!! So we can use your help.

Sara is running the Garage sale part and Jason will be running the evening food and beverage part. If you can help at either of these please let them know.

I know that Kyle is also getting a group together for Toys for tots.

I would like to wish Baggie Chairmen of the board, Donella Treasure, Bob Membership VP and "new" Kyle a Happy birthday this month!

The next meetings will be August 1st and 15th. If you cannot make those and want to get signed up for projects please contact the person in charge or let me know and we will get you signed up.

Have a great rest of the summer!

We are planning on getting there at about 11am and canoeing for about 5-6 hours. Currently we have 6 canoes reserved but can get more if needed so please please let me know if you would like to come. We also have the Franciscan Skemp picnic coming up and we are responsible for running the kids games. This is a fun event and is quite easy to do. We can use all the help we can get. Donella Sarauer

Thank you to everyone that worked at Riverfest!!!

Thank you again to all who helped at Riverfest any time that you put in was greatly appreciated. Also please thank any family, friends and coworkers that you brought down to work. We had a good turn out for the appreciation party. Chef Baggie did a tremendous job on grilling some very good food; if anyone went hungry it was their own fault. I do have some more appreciation gifts to give to people so if you are at the next meeting I will get the items to you. Also I have JC Bucks to hand out to many people and will try to get them to everyone at the next few meetings or Jaycee events.

We are looking for someone to be next years JC Representative to the Riverfest Board of Directors. If you are interested or have any questions please let Barb Frahm or myself know here are a few other people who have run the beer tent in the past that you could talk to Barb Frahm, Baggie, PT, Al Johnson, and Laurie Sonsalla. Please let us know soon if you are interested, the Jaycees need to vote on this and you would start attending Riverfest meetings in October.

Thanks again for all the help!!!

NCI Meeting

Laurie Sonsalla

The Wisconsin Jaycees are hosting the NCI meeting this year in La Crosse on August 4th and 5th. What is NCI? The National Jaycees are split up into different institutes or areas and we are part of NCI along with 8 other states. If you want to attend the whole weekend of fun, which includes socials with food and drinks on Friday and Sat nights, full breakfast and lunch on Sat and a continental breakfast on Sunday, trainings and speakers on Sat, a Chicken Q dinner on Sat night along with casino games and prizes, the cost is \$55. If you would just like to attend the Sat night social with Chicken Q, casino games and prizes, followed by a tour of downtown bars, the cost is only \$12. It would be really great to see a bunch of La Crosse members, plus I could use help getting all these people to the bars! If you do want to attend either the whole weekend, or just Sat night, I need to know right away so we have enough food ordered. So pick up your phone and call me at 608-785-3046 or email mw at SalsaLaurie@yahoo.com right now! This is a wonderful opportunity to meet Jaycees from several different states, along with some National Officers, without having to travel tons of miles, stay at a hotel, and spend lots of money. You do not want to miss this once in a lifetime opportunity!

Hello all! Welcome to the end of summer! Speaking of which, I hope to see you all helping out at the 95.7 the Rock End of Summer Bash on September 9th at the Oktoberfest grounds! This project brought in a lot of money for the chapter last year and it was a lot of fun! We will again be serving food and soda and water throughout the rummage sale in the morning and then serving food, soda, water and BEER later in the afternoon/evening. If you are interested in helping out, please let us know. Thanks to Jason Arenz and Sara Leick for agreeing to chair this project for us! A special thanks to Jason for doing the grilling all day!

Also, just a reminder that Oktoberfest is just around the corner as well. Thank you to Kristy Arenz for agreeing to be my co-chair on this project this year. We will again be selling Oktoberfest apparel and souvenirs for The Monogram Company. Sign up sheets will be appearing at meetings soon! There are some great incentives for this project, including free merchandise! Please contact Kristy or myself if you are interested in helping out! (The dates for Oktoberfest this year are September 29-October 7).

Toys for Tots

Kyle Olson, IDVP

Toys for Tots is nearly upon us! In only a few short months our chapter will have the privilege of helping to make Christmas a bit more memorable for thousands of area children!

I am searching for individuals who may be interested in participating on the Toys for Tots Committee. The first committee meeting will be held Tuesday, August 1st, at 6:00 P.M. at the Jaycee Hall. This is also a general meeting night, so the meeting will not run past an hour. Whether you are interested in being a part of the committee or would simply like to learn more about this wonderful project, please stop by! Pizza and soda will be provided!

There is much work to be done before the give away date of December 9th. The committee comprises of responsible, caring Jaycees much like yourself. Some examples of available positions are:

New Toys: Sort, bag, and inventory used toys for children.

Used Toys: Sort, clean, and price used toys.

Donation Letters: Solicits local businesses for donations to TFT from existing lists.

Registration: Enters each child's info into a computer database.

Barrels: In charge of contacting and distributing donation barrels to local businesses.

Giving Tree: Coordinates the distribution of "Giving Trees" to local businesses.

Media: Press releases, possible radio / TV interview.

Other: Possible sub-committee positions will be available. Your help is always welcome and appreciated!

Thank you in advance!

Punt Pass Kick

The annual PPK Competition will be held on August 19th this year. Registration will be at 12:30pm, Clinic with the UW-L Football players at 1:30pm, and the Competition will begin at 2:00pm. Depending on the amount of kids, we should be done with the entire project by 3:30pm. We are once again running this project in conjunction with UWL Football and WXOW, Channel 19. We do need to have Jaycee workers there though to make sure it runs smoothly. We need to have 5 people at 11:30 (people come early) to get everything set-up and to work registration. Then we need about 10 people to help with the competition. Once the competition is done, Melissa put together an excel spreadsheet that should make the scoring process a snap. I will have a sign-up sheet at the August meetings, but if you can't make a meeting, please call or email me if you would like to help out with this project. My phone is 785-3046 and email is SalsaLaurie@yahoo.com Last year we had about 130 kids at this event! So please help out if you can.
