Presidential News

Hello Jaycees

And welcome to March. I would like to welcome Sarah and Ty our 2 newest Jaycee's that joined us in February. "Welcome aboard". Next I would like to thank: Erin, Heather Pu, Mike, Landlord, Barb, Donella, Laurie, Kevin, Sara and myself. Also I cannot forget all our great supporters who showed up to cheer or heckle us on. For bowling and helping out Big Brother / Big Sisters by raising over \$1,000.00 for their great programs they run locally thru out our LaCrosse area.

Next we have some reminders for March, On Saturday March 5th we have 4 or 5 Jaycee's taking the Plunge for Polar Plunge. And raising money locally for Special Olympics. If you would like to pledge please come to our meeting on Tuesday March 1st at 7pm and we will get you in touch with some of the plungers. Also remember that we are selling MDA Shamrocks at numerous businesses through out the LaCrosse area. With our goal of raising \$7,000.00 for MDA which will then provide enough money for 14 area local children to attend camp, for a week this summer. And let's not forget if we do reach our goal that I will be getting a Shamrock tattoo on my arm. "Would you like to reduce your membership dues".

Then please read on further in our newsletter about our Chicken Que to be held Thursday March 31st. Yes March 31st. Pat Walz and Jason Arens are running this project with less than a month to get everything done. We need everyone to participate to make this project a success with such a small time frame. And remember by selling tickets or working or both you can and will reduce your

membership dues. The board will also be bringing back our \$10.00 raffle in the up coming months, which will be another great way to help lower your membership dues. I have always wondered if any one reads our Bullsheet, besides current members. I was glad to here from our 41st President Marty Juel (1975 & 1976) It was interesting during his tenure that the newsletter was changed from the Hot Sheet to the Bullsheet.

I would also like to thank Marty for some pins he sent along with his letter. We plan on putting them on display in a glass case we will be getting in a couple of months. And keeping them for show for future generations of Jaycees. I would also like to inform our current Jaycees that you get the Bullsheet for life just for being President for just 1 year. I am also trying to track down the very 1st issue of the Bullsheet for 1976 for Marty tells me it created quite a buzz through our Local, State and International circles of Jaycees.

If anyone would have a copy I sure would like to read it. In closing I would like to thank the 24 plus Jaycees and guests who showed up for bowling on Friday February 18th. I heard a great time was had by all. Our next bowling outing will be Friday March 4th at South Lanes at 9 pm ish. Also as a personal challenge I will match any Jaycees buying Shamrocks during bowling up to \$50.00 total. (Not \$50.00 each) Hope to see you in March.

Yours in Jaycees:
Dan "Baggie" Bagniewski
Your 70th President of The LaCrosse Jaycees

A Special Donation

Deb Post, La Crosse Jaycees Foundation

On, Tuesday February 1, a Cashton family lost their home to a fire. They have 4 small children ages 4, 3, 2 and 8 months. The baby has had five surgeries, including 2 liver transplants and is still recuperating from this ordeal. Thanks to the La Crosse Jaycee TFT program we were able to provide these children with some new toys and books. This venture couldn't have been completed without the help of Baggie, Gabby, NawT, and Mary Jo. Gabby was also gracious to donate one of her own dolls to this cause. The family has been very skeptical of asking for help since they previously had assistance financially from the community for their medical and living expenses for the baby.

BAWK BAWK BAWK!

It's Chicken-Q time again. The La Crosse Jaycees are holding their annual Chicken-Q March 31st at the VFW on 6th Street. The hours are from 11:00 to 6:00. Tickets will be \$6.00 again this year. This event is designed to raise money for the chapter and to reduce the cost of your membership renewal. Incentives will be given to chapter members for selling tickets and working the day of the event.

It takes a lot of man power to make this event a success. We need 10 people for the first shift 10:30-1:30. Those 10 workers will get \$20 credit towards their renewal. We need 3 people for the second shift 1:30-6:00. Those workers will also get \$20 credit towards their renewal. Chapter members will receive \$.50 for each ticket they sell toward their renewal. This is a great opportunity for you to greatly reduce the cost of your renewal. For example if you sell 20 tickets and work a shift you will receive \$30 off your renewal. In the event we have more workers per shift than required, the incentive money will be equally divided amongst all workers.

If you have questions, would like tickets, or want to sign up for a shift give Pat Walz a call @ 792-8921.

Membership News

Kyle Olson, 2005 Membership VP

I will keep this month's update short and sweet. February is coming to a close. We received two new members, Tyler Omoth, and Sarah Wittnebel, and two members have decided not to renew. With that said La Crosse is ending the month at no growth, yet I feel we are still doing quite well!

March is nearly upon us, and that means it's time for April renewals. Those members that are due are: Dianne Hamann, Mark Kloss, Chad Mickelson, Jennifer Minor, Debbie Post, Terri Rudolph, and Jeff Treder. I sincerely hope that all are able and willing to renew.

In closing I am looking forward to March being another successful month! With your help I know we can!

See you soon,
