Summer is finally upon us!

Warm weather, cookouts with family and friends, outdoor activities, cold beverages, the Pink Envelope Project, Riverfest... Yeah, that's right! By the time you read this newsletter, both the Pink Envelope Project and Riverfest will only be a few short weeks away!

I know as well as anyone how hectic our summer months can be. Much like myself you may be trying to plan out the summer, attempting to fit in all of those activities only possible when the temperature climbs above the 70's! So don't forget to mark your calendar for June 21st, and July 2nd through the 6th for the Pink Envelope Project, and Riverfest, respectively. I ask that you use the opportunities for sun, friends, outdoor activities, and of course the beverages by helping at one of our events! After all, the La Crosse Jaycees would not be a chapter without YOU!

More information on these and many other events may be found within the following pages. If you are looking to volunteer your time you may do so by signing up at any of the general meetings, or by contact the project chairperson.

It is officially summer, yeah!

I want to thank everyone for attending the Gardening ID during our last meeting. It was a great success. Heather and I plan on inviting Brenda back again for another ID in the near future. Our next ID is planned for Thursday, June 5th at Franciscan Skemp Onalaska:

Thursday, June 5, 6:00-7:30 p.m. Activating Your Internal Pharmacy to Help and Heal.

Presented by: Judy Aufenthie,
RN, MA, CTC, Life Coach

Our body produces hormones and biochemical mediators that augment health and enhance wellness. During this session you will learn techniques to support and boost production of these substances, which will enable you to activate your own internal pharmacy and enhance personal wellbeing.

Please plan on attending. This series has quite interesting. Please let me or Heather know if you would like to attend as we need to call and register. We usually meet at 5:45 in the lobby of the clinic. We can also plan on meeting for a quick dinner...Kyle and I usually meet at Jimmy John's out by Best Buy...I know pretty scandalous! So please let us know as soon as possible!

As always we are open to any suggestions for future ID's. We will be handing out surveys to collect information from all of you to get an idea of everyone's interests and hobbies. Some ID's in the works are a wine ID, and a stamping ID.

Enjoy the start of summer!

Pink Envelope Project

Our Pink Envelope Project 10K Walk is only a few weeks away (June 21st). Getting people registered for the walk is our main focus right now. Here are some great ways to get people interested in the walk:

- 1.) Send an e-mail to everyone in your contacts with the registration form attached or a link to our website
- 2.) Tell all of your family members
- 3.) Take a poster to work
- 4.) Take some registration forms to work
- 5.) Take a poster to your hair dresser/salon
- 6.) Take a poster to your gym

Any way you can help get people signed up is greatly appreciated. You may also wonder how to get \$75 in donations in one day. Here are a few examples of who to ask:

- 1.) Ask 2 friends for \$10 each (\$20 total)
- 2.) Contribute \$15 yourself
- 3.) Ask a co-worker for \$10
- 4.) Ask a family member for \$10
- 5.) Ask your priest/pastor for \$10
- 6.) Ask your hairdresser for \$10

I hope all Jaycee members will consider participating in the walk. It is sure to be a great time!

Community Director

Hello everyone hope you all had a great Memorial Day. I would like to thank all of you for your help everyone has put forth so far.

We have the family picnic June 17, 5:30 at Myrick park. Please bring a dish to pass, beverages will be provided and we will have an ID for the July 4 celebration.

Please come and get ready for the activities, we do need some help so if interested let up know.

One other big thing we need to talk about is of course is Toys for Tots, it's that time who would be interested let us know.

Thank you all and have a great summer,

Mark Van Den Heuvel
Community Director

Pitch, Hit & Run Sectional

Calling all Jaycees!

Our chapter held another successful Pitch Hit and Run May 7th. Now we need to plan for a sectional for all those children from the area who have advanced! The winners from this sectional may have the opportunity to progress to the State level, and attend a Brewers game!

Date: Sunday June 8th
Time: 11:00 AM for setup
Where: Erickson Baseball Field
What: Registration & scoring

But we need your help to register the children, and score their results in each category of competition; pitching, hitting, and running. \$10 Jaycee Bucks will be given to all those who are able to help! To help with this event you may either sign up at a general membership meeting, or contact Kyle Olson at:
Ph: 1-651-380-3774
E-mail: betonajetta@hotmail.com

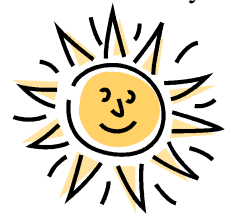

Social Director

Summer is finally here and it is now time to start planning and/or preparing from some outdoor social events.

Nothing says summer more than a baseball game, so how about a Friday night Logger's game either in June or July? Would anyone be interested? If so, more information can and will be presented at upcoming meetings, but for your knowledge now, tickets for each game range from \$4 to \$24 (depending on whether or not we want access to the fan deck), and Friday night home games in June are on the 13th and 27th, and for July, they are on the 18th and the 25th.

Additionally, in July, as Kyle has mentioned in my absence, at past meetings, a Mall Of America shopping trip/overnight stay is being planned for the early part of July. The trip would consist of heading to Minneapolis on a Saturday, shopping during the day in the mall, and then staying at a nearby hotel that night so that we could do some local bar hopping! Again, more information, and confirmation of a date and hotel would be forthcoming, but start planning now for our Jaycee summer socials! We will see you at future general meetings!

Leadman Triatholon

Hello Jaycees,

It is my sad duty to inform all of you that the Leadman Triathlon as set for June 14th is cancelled due to a lack of pre-registered participants. The project committee met to discuss all options, and out of fairness to Warren of Coulee Golf and Bowl, the decision was unanimous.

I for one know that Jon and the committee put much time and energy into this project. Please be sure to thank them for their efforts if you get a chance. Perhaps this will be a project to consider for a future date.

Thank you,
Kyle Olson
